GETTING KIDS BACK TO SPORT

As we work hard to help local kids get back to the sports they love we want to thank our great Back to Sport partners who have joined us in 2022. We have already helped 1,990 kids this year and we know this number will only continue to grow as we get into fall & winter sports. Families are ready to get back to sport and we are ready to help them! Reach out to Kevin at kevinw@kidsportcalgary.ca to join in and be a part of the impact.

TOP KIDSPORT SPORTS FUNDED

SOCCER
681 KIDS
\$205,552

\$16,431

These are our donor/partner dollars going right back into our sport community and local economy.

2022 HIGHLIGHT REEL

FAMILY OPPORTUNITIES

Through some fantastic partnerships we have been able to provide 50 kids with the opportunity to attend Stamps Camp, 14 kids learned to golf at the Tom Byers Junior Golf Day and 25 kids will expand their baseball skill through the Blue Jays Instructional Clinic.

FLAMES SPORTS BANK

This year we have been able to provide 44 agencies and organizations, who also service low income families, with 2000 pieces of gear so over 1600 kids can have the opportunity to get active

KIDSPORT FAMILY TESTIMONIAL

Sport is one of the most important elements of life for my children and I. It is what keeps us connected to each other, our community and to that little voice inside each of us individually. Be it early morning wake ups, spending time together driving to an active day, or a pizza dinner after the game with both teams engaging in camaraderie, love of sport win or lose.

As a single mother, the past few years have been so difficult financially and in general. The connection to sport has helped us find closeness as a family, but also our sport family. Because of KidSport my daughter was able to participate and achieve her CSIA level 1, and pass on her passion for skiing to the younger generation. My son had the opportunity to join a Rugby team, and has found his passion. He has found connection not only with the sport, but team members, opponents... but most importantly his mentors.

GET INVOLVED
