## Golf Tournament in Kananaskis

Dear Sponsors and Golfers,

We are thrilled to welcome you to our third annual Golf Tournament at the stunning Kananaskis Country Golf Course — a day of connection, sport, and giving back.

This year, we're raising funds to support displaced Ukrainian families rebuilding their lives in Alberta. Since the war began, over 65,000 Ukrainians have arrived in our province — many of them children searching for stability, friendship, and a sense of belonging.

We are proud to partner with KidSport, an organization that helps cover sport registration fees for families facing financial hardship across Alberta. By giving more kids the chance to play, KidSport helps them grow, connect, and thrive — both on and off the field.

Your support means a Ukrainian child can join a team, feel included, and just be a kid again. Whether you're a sponsor, player, or donor — thank you for making that possible.

Sincerely,

Ukrainian Canadian Congress–Alberta Provincial Council &  
Ukrainian Canadian Professional & Business Association of Calgary

## Golf Tournament in Kananaskis

Dear Sponsors and Golfers,

KidSport chapters across Alberta support children who need financial assistance with sport registration fees and by providing no cost equipment through programs like the Flames Sports Bank in Calgary. We believe that the power of sport participation promotes the development of children's social, mental and physical well-being. Through increasing access to quality sport programs, KidSport strengthens our communities.

We do this by raising funds in our community to support kids from our community. Thousands of qualified (low-income) kids are provided the Gift of Sport each year through our program thanks to the generosity of our community. Together we are investing in the lives of kids who need our assist! Allowing them to participate in, learn from and develop through sport! Something every kid should be able to do. Through this great work KidSport chapters across Alberta have been able to positively impact the lives of Ukrainian families and their kids by providing them with support to access the sports they love which has a great impact on their settlement and transition to our country, province and community.

Join us in celebrating 30 years of KidSport proudly serving communities across Alberta in 2025 by supporting the 2025 UCC-APC Annual Golf Tournament.

Sincerely,  
KidsSport Calgary & Area
