EVENTS

Mark Scheifele Hockey Camp & Golf Tournament

The sold-out two-day hockey camp had 223 kids between the ages of 6-13 in attendance.

Mark Scheifele along with Michael Hutchinson, Eric Fehr, Logan Stanley, Nelson Nogier, Brett Howden, Michael Creta, and Jet Woo assisted the Jets Hockey Development Team on ice.

The 5th Annual Mark Scheifele Hockey Camp is aimed at helping the next generation of hockey players grow and elevate their game while having a lot of fun! The two-day camp took place Saturday June 22 & Sunday June 23, 2019 and was held at the Bell MTS Iceplex. Kids had the opportunity to personally interact with Mark and friends and will receive specialized instruction from Jets Hockey Development.

The golf classic took place at Elmhurst Golf and Country Club where Scheifele, Hutchinson, , Stanley, Nogier, Josh Morrissey, and Winnipeg Blue Bombers Matt Nichols, and Justin Medlock were auctioned to play with teams. Madison Bowey, Brady Oliveria, Thomas Miles, and Nic Demski joined other professional athletes, local celebrities and business leaders to participate in the sold-out tournament.

KidSport Winnipeg raised over \$100,000 from both events. All proceeds from both events will go towards paying the registration fees for kids in Winnipeg so that they will be able to participate in sports.

Doug Brown Football Camp

KidSport Winnipeg hosted the tenth annual Doug Brown Football Camp, supported by Sexton Group Ltd., Aspire Dental, The Axworthy Health & RecPlex, Boston Pizza, Save on Foods, Old Dutch Foods and the Winnipeg Blue Bombers.

The camp took place on Saturday May 11, 2019 and was open to athletes who received funding in 2018 from KidSport in order to play football.

“Time does fly when you’re having fun. 2019 represents the 10th consecutive year that the KidSport Football Camp has been in action, and to date we’ve been privileged to have over 800 kids participate, and take part in our skills and drills day,” said Brown.

Brown, along with a number of current and retired CFL players took kids through all the elements of a football combine, as well as position-specific fundamental drills and exercises. Along with these technical abilities, players also provided examples of other important skills such as leadership, practice, hard work, dedication and self-confidence.

“The 10th annual Doug Brown Football Camp is once again, a great display of business, non-profit and sport personalities and volunteers all working together for the greater good of kids in Winnipeg”, said Rick McGregor, Chair, KidSport Winnipeg.

Desiree Scott Soccer Camp

KidSport Winnipeg hosted the 4th Desiree Scott Soccer Camp presented by Sexton Group. On November 23, 2019, 42 girls between the ages of 8-18 were in attendance at the Garden City Community Centre. A handful of the girls at camp were sponsored by members of the local community to attend and were either funded by KidSport or from IRCOM (Immigrant and Refugee Community Organization of Manitoba).

"I absolutely love getting on the field with the girls, I think that half the time I don't want to do the soccer, I just want to hang out with them, find out about their lives and it's great to see how excited they get to come to the camp!" said Scott. "It's a pleasure for me to be able to work back in Winnipeg, for KidSport, with the girls. I think it's important for them to have an event, a role model for someone to look up to, and for me it's something that I truly enjoy and it's something I think we as athletes have a platform to do and to get out there and help in the community."

The camp raised over \$9,000 from the one-day camp. All proceeds from the soccer camp will go towards paying the registration fees for kids in Winnipeg so that they will be able to participate in sports.

Give the Gift of Sport

KidSport is excited to continue its annual Give the Gift of Sport campaign. The national fundraising campaign runs through the holiday season and helps raise money so all kids can have an opportunity to participate in organized sport.

For the Love of Chocolate

This annual fundraising event features delicious chocolate dessert heaven with many different types of chocolate to tantalize the taste buds. The event also features a comedian and a fashion show with models strolling down the catwalk wearing clothing from local companies.

Third Party Events

KidSport Manitoba was happy to be a part of many third-party fundraising events such as the Between the Toes Volleyball tournament with sponsor Orange Theory fitness, The Great Grains Relay, Pass to the Playoffs, Prairie Badminton, and many more.

- Partnership with “I AM”
- Putting Contests

NEEDS & CHALLENGES

- Developing more partnerships to raise additional funds for the increasing number of kids needing assistance. KidSport Manitoba is still in need since the inception of the program in our province. More kids need assistance to play and we rely on donations to keep up with the financial demand.
- Development of provincial and regional committees, this has worked well in some regions, especially Winnipeg. Development of a strong recruitment, retention and recognition program is essential to keep those we have and plan for turnover.
- Making ourselves more present in our rural regions and still putting as many dollars as possible into funding kids participation in organized sport.

NATIONAL HIGHLIGHTS

The annual Give the Gift of Sport campaign raised over \$177,000 online across Canada and additional fundraising support was generously provided by our KidSport national partners: CIBC, Jays Care Foundation, Saputo, the Canadian Hockey League and the Government of Canada/Sport Canada.
