Please read through the information
below before filling out a
KIDSPORT™ GRANT application.

What costs are covered by a KIDSPORT GRANT?

The grant covers registration fees and/or equipment costs of eligible sport teams/programs.

Which sports are covered by KidSport?

KidSport Ontario supports participation in over 90 sports (eligible sports are listed on our website). The KidSport grant covers organized sports that meet the following criteria:

- Program runs for a minimum of 8 weeks
- Program is not camp or academy
- Program/club is a member of its provincial sport organization

How does KidSport determine eligibility?

KidSport considers the economic barriers preventing a child or youth's participation in organized sport. Applications must be fully completed to be considered.

When to apply and how long does it take?

Applications should be submitted 60 days prior to sport start date. Once an application has been received, it will take a minimum of 5 weeks to be processed.

Application approval process

Upon approval, funding for registration fees will be sent directly to the sport club/program with a letter identifying the KidSport grant recipient(s). The parent or guardian will be notified by mail or e-mail. For equipment grants, the cheque will be payable to the retailer and sent to family to purchase the requested equipment.

Important Note: KidSport Ontario does not issue personal cheques to individuals, so please do not purchase your equipment before funding is received. We also do not reimburse for previously purchased equipment.
