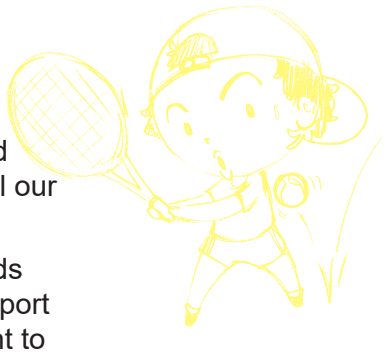
So ALL Kids Can Play!

KidSport is a children's charity designed to assist children ages 5-18 of families facing financial obstacles to participate in community sport programs.

MESSAGE FROM THE CHAIR



On behalf of KidSport Saskatchewan, I would like to thank our volunteers, donors and sponsors for their continued support. Without your contributions, KidSport cannot fulfil our mission of giving kids the opportunity to experience the positive benefits of sport.

Despite another challenging year, KidSport was able to remain focused on helping kids get off the sidelines and into the game. KidSport saw many participants returning to sport after a year of cancellations related to COVID-19. As a result, $776,980 in grants went to support 4,128 children and youth across Saskatchewan. It was fantastic to see!

KidSport is able to provide grants for children to have the opportunity to participate in sports because of your dedication.

The need to grow continues and in 2021 KidSport welcomed Lumsden and surrounding area as the newest KidSport Local Chapter bringing the total to 41. Our growth in the province means we can offer more assistance So ALL Kids Can Play!

YOUTH MAKING A DIFFERENCE

Lumsden and surrounding area became the 41st KidSport chapter in Saskatchewan. Seventeen-year-old Kaia Thauberger led the drive to make this happen. She hosted a Golf-a-Thon called Rounds for Ralph in honour of her late-grandfather that raised $12,700 to start the KidSport chapter.

Images used throughout were taken at events prior to the COVID-19 pandemic or were shot following public health requirements at the time.
