

Program Grant Application Guidelines

We believe that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports. KidSport™ provides support to children in order to remove financial barriers that prevent them from playing organized sport.

How can KidSport help?

- KidSport can provide a Program Grant to support sport programs offered through a Sport Organization, Youth Agency or Community Association that maximizes participation opportunities for eligible KidSport kids.
- Preference will be given to sport activities that are new to the community.

What programs are eligible to receive a KidSport grant?

- The use of KidSport funds must be compatible with the goals and objectives of KidSport with regards to servicing youth from financially disadvantaged families and up to the age of 18 being inclusive of financial support.
- Generally accepted sport activities are those recognized and/or sanctioned by the member organizations of Sask Sport Inc. For a full listing of eligible sport activities see www.kidsport.ca/sk
- Support is intended for program participants who are being introduced into a sustained organized sport led by a qualified coach/instructor.
- Funding is granted to programs that are unable to secure funding from other sources.

What does a KidSport program grant cover?

- KidSport funds can be used to offset costs associated with program delivery such as facility rental, equipment, insurance, coaches and officials or uniforms.
- Applications are subject to the availability of funds.
- Costs associated with dance, facility construction or upgrades, special events (travel to tournaments, play-offs, championships) are not eligible expenses.

What is the deadline to apply?

- Applications will be accepted on a first come-first serve basis or as determined by the Local KidSport Committee.
- Applications must be submitted and approved before the start date of the activity.

What are the funding arrangements?

- KidSport issues funds to the program applicant. It is the responsibility of the program applicant to disperse funds appropriately.
- Notification of application status will be forwarded to applicants in a timely manner following the adjudication process.

How to apply to KidSport?
