

KIDSPORT PAYS. KIDS PLAY.

The skills kids learn through sports are carried with them throughout their lives, but across BC kids are being left on the sidelines because they don't have the resources to play.

That's where KidSport comes in.

KidSport provides funding for kids from families that need financial support to help cover the cost of sport registration fees #SoALLKidsCanPlay!

Most KidSport chapters are completely volunteer-run. They fundraise, accept applications, and distribute funds to support kids in their local community.

Communities that don't have a local chapter, are supported through KidSport BC's Provincial Chapter.

"Both my son and daughter got funding from KidSport to participate in sports. Not only has this given them a sense of accomplishment, but also a sense of belonging. It's so amazing to see my child with down syndrome being cheered on by his team! Priceless. It's brought such happiness. Thank you!"
