

ABOUT KIDSPORT LONDON

KidSport is a not-for-profit organization that provides financial assistance to kids aged 18 and under through a confidential application process to play a season of sport. The KidSport London chapter is delivered by the London Sports Council.

ABOUT THE OAKS GOLF CLUB

The Oaks is a par-72 championship golf course. Designed by Rene Muylaert, The upper nine holes recall a traditional links-style course with open, contoured fairways drawn by deeply grassed rough and waste bunkers. As you enter the lower valley coming home, the look changes dramatically. The fairways level out to a more traditional-style course as mature stands of oak trees challenge your abilities. Water also becomes a factor as the inward nine holes features six holes with large, spring-fed ponds.

1552 Gideon Dr.
Delaware, ON N0L 1E0
